Optional Assignment

 Assignment Specifications: Installing PHP/MySQL 10 min

 Peer Graded: Installing PHP/MySQL 2h 120m

Bonus Materials

# Peer Graded: Installing PHP/MySQL

This assignment is designed to show that you have successfully installed a PHP/MySQL environment.

This course uses a third-party tool, Peer Graded: Installing PHP/MySQL, to enhance your learning experience. The tool will reference basic information like your name, email, and Coursera ID.
