

## Course materials

### Lecture Materials

 Welcome to the Course 3 min

 Installing MAMP on a Macintosh 7 min

 Installing MAMP on Windows 10 15 min

 Installing XAMPP on Windows 10 9 min

 Installing LAMP On Linux 10 min

 **Discussion Prompt:**  
Your Database Experience 5 min

### Optional Assignment

### Bonus Materials

### Your Database Experience

Take a moment to tell us a bit more about your own database experience and background. It is OK if you have no database experience, but some of you might have used Access, Oracle, Mongo, MySQL, Sqlite or other database systems. Sometimes people learn SQL without even realizing it.

Participation is optional
